

# FA PANEL

## Info Sheet

## Wide Span Reverse Panel For Architectural Walls

Our *FA panel* is a reversed wide-span profile that is ideal in creating unique architectural designs and to help create stunning exteriors for commercial buildings, storefronts, offices and other architectural projects.

When combined with our other wide-span profile, the *FR panel*, you can add an eye-catching modern flare to any business exterior, especially when applied in contrasting vertical and horizontal lines.

Application: Wall

Coverage: 36" | Depth: 1-1/4"

Available Gauges: 24 & 26

Available in 40+ Standard Colours & Specialty Finishes

Cutting charge applies below 48"

More colours & gauges are available by special order

### Achieve Deep Shadows

This panel has a deep reveal of 1-1/4" that creates a deep shadow effect along building exteriors.
