

FR PANEL

Info Sheet

Commercial Profile with the Largest Spans

The **FR panel** features our largest span at 12" making this profile a go-to choice for many commercial applications. The panel also features our highest rib height at 1-1/4", which performs extremely well on low-sloped roofs and the farthest spans.

Also available in **FR Reverse** for architectural applications. A go-to choice for many commercial installations and pairs well with our **FA panel**.

Applications: Roof & Wall
