

BOARD & BATTEN

Info Sheet

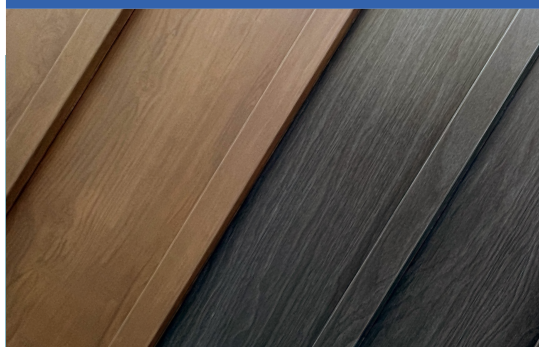

Easy-To-Install Vertical Cladding

Introducing our new Forma LT line of DIY-friendly profiles, starting with the popular Board & Batten hidden fastener panel. Get the same style of our standard metal Board & Batten at a great value with an easier installation. The Board & Batten LT is available in 10" coverage in 26 Gauge Standard Colours and a wider 12-3/8" coverage in 24 Gauge Standard Colours & Specialty Finishes.

Our LT line of panels is a better suited choice for all your residential projects including sheds, garages and feature walls.

Pair it With a Pattern

Our 12-3/8" Board and Batten LT can be ordered in any one of our 24 Gauge Specialty Series Finishes such as warm woodgrains, textured colours and life like prints.
