

# DOWNSPOUTS

## Info Sheet

## 3x4" Corrugated Downspouts

Complete your commercial building exterior with a durable rainwater management system from Forma Steel. Our corrugated downspouts are available in 24ga colours and finishes to provide an exact match to your exterior colours. Combine our downspout system with our eavestroughs and trims for a complete installation.

Our downspouts are available in custom lengths up to a standard 24ft and systems come complete with A style and B style elbows as well as customizable offsets. Elbows are bent at 75 degrees as standard. All systems are custom made in-house to exact lengths required for the job.

**Application:** Commercial, Industrial & Agricultural

**Size:** 3" x 4" | **Length:** Straight pipe up to 24ft

**Available Gauges:** 24

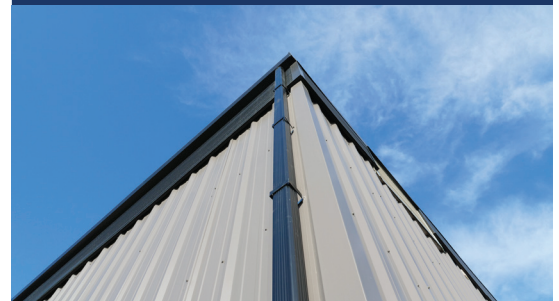

**Available in 40+ Standard Colours & Specialty Finishes**

**Note:** Longer lengths are available (*Inquire about XL Lengths*)

Available with coordinating elbows & offsets

Available with coordinating eavestroughs

### The Perfect Colour Match

Our downspouts will match the rest of your exterior roofing, cladding, trim & eavestroughs. Available in dozens of 24ga colours and finishes.
