

I/9 Panel

Info Sheet

All the Benefits of Our FC-36 Panel But With A Cleaner & Smoother Look

Our *I/9 panel* shares many of the same characteristics of our most popular *FC-36 panel*, including the 3/4" rib height and 9" spans. Features a flat rib while versus a bell top like the *FC-36* providing a smoother profile with a slightly more modern look.

Applications: Roof & Wall

Coverage: 36" | **Depth:** 3/4"

Available Gauges: 24, 26 & 29

Available in 50+ Standard Colours & Specialty Finishes

Recommended Slope: 2.5/12 with overlap sealant (3/12 without)

Note: Confirm with construction standards and underlayment manufacturing

Cutting charge applies below 48"

More colours & gauges are available by special order

The Original Panel

The *I/9 panel* was Forma Steel's first panel ever created and has remained a popular choice for residential roofing and commercial buildings for well over 30 years.
